THE FOOD PANTRIES @ CENTRAL

Started in 2005, The Food Pantry @ Central has grown to serve over 1,200 Mobilians each month. Today there are three food pantries serving seniors at Dearborn YMCA, Leinkauf Elementary School and the original Pantry that serves the community at large. Combined, over 1,500 people in need receive fresh fruits, vegetables, meats and grains monthly. The Food Pantry @ Central is currently the largest food pantry in Mobile County and growing.

MYSTIC ORDER OF THE JAZZ OBSESSED

As Mobile's largest jazz society, MOJO has become the meeting point and information hub for jazz on the Gulf Coast. On the fourth Monday of each month, MOJO hosts its monthly Jazz Jambalaya, an evening of "gastro-edutainment". Each MOJO Jazz Jambalaya is unique. A noted jazz artist or genre is showcased in a program that features the exceptional talents of local, regional, national and international musicians. Admission includes a light jambalaya dinner, music and information.

CATHEDRAL ARTSANCTUARY

Cathedral ArtSanctuary is a space for juried and individual art exhibitions and performances. CAS is the new home for MOJO Jazz Jambalayas and musical performance. Quarterly exhibitions are featured. The facility is a venue for workshops, classes, meetings, dinners, retreats, social events and more.

Ajoyo is an eclectic and upbeat blend of Jazz, West African rhythms and soul delivering a message of social justice with a very distinct New York sound. This is their first-ever Gulf Coast performance, made possible by a grant from Jazz Road South Arts supported by the Doris Duke foundation and the Mellon Foundation.
