- Q. What is your idea of perfect happiness?  
A. *Living a life filled with music, adventure, family and friends, and cats.*
- Q. What is your greatest fear?  
A. *Losing my twin sister. She is my womb mate and other half!*
- Q. What is the trait you most deplore in yourself?  
A. *I'm often late, to be honest. It's not very professional.*
- Q. What is the trait you most deplore in others?  
A. *Narrow-mindedness... being totally stuck in one's own world lens.*
- Q. On what occasion do you lie?  
A. *For surprises! Parties and gifts.... but I'm an awful liar so I usually don't.*
- Q. Which words or phrases do you most overuse?  
A. *"That is a great question that I don't know the answer to." "I have no idea."*
- Q. When and where were you happiest?  
A. *Once I went to the beach on an immaculate day with my sister and we both spontaneously jumped into the gulf fully clothed, and let every worry go for a couple hours.*
- Q. If you could change one thing about yourself, what would it be?  
A. *I catastrophize a lot; I would love to just zap that away.*
- Q. If you could choose what to come back as, what would it be?  
A. *Anything that lives in the ocean.*
- Q. What is your favorite occupation?  
A. *Making and teaching music, especially singing, is my favorite.*
- Q. What is your most marked characteristic?  
A. *I am definitely an over-thinker. Most of my closer friends note when I over-analyze.*
- Q. What do you most value in your friends?  
A. *My friends keep me grounded and let me be myself, and they let me tell them what's on my mind even if they didn't want to know.*
- Q. Who are your heroes in real life?  
A. *My mom. She's psychic; she gets me before I say anything. Lois Henry: piano, composing and teaching extraordinaire. Fred Domulot, for believing I could play and sing jazz, and gig, when I did not. All of my music teachers and professors.*
- Q. How would you like to die?  
A. *Fast and painless as possible.*
- Q. What is your motto?  
A. *My Dad taught me (though I'm still working on this): IYFTPYPTF. "If you fail to plan, you plan to fail."*
- Q. What is your present state of mind?  
A. *Focused and trying not to be too hard on myself for lack of perfection.*
